

Master of Commerce (#32) (MCom (#32)) 2019 Program Structure

It is important that you read and understand the following information.

To be eligible to enrol in the Master of Commerce (#32) you must satisfy the entry requirements as outlined in the program rules.

The following information is designed to help you plan your enrolment. Please note it is intended as a guide only; you should check the scheduling of courses each semester. Further information can be found in the official rules and course lists under the **Program Requirements** link on the Programs and Courses website: <https://my.uq.edu.au/programs-courses/>

You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements, please contact info@business.uq.edu.au for advice. It is your responsibility to ensure that you complete all the requirements of this program in order to graduate.

PROGRAM REQUIREMENTS

You must complete 32 units from the [Master of Commerce \(#32\) list](#), comprising -

- 8 units from Part A; and
- 12 units from one field of study in Part B*; and
- the remaining 12 units as an approved second field of study from Part B or from a combination of other courses in Part B, Part C, Part D and/or other courses approved by the Head of School (up to a maximum of 4 units). Part D courses require permission from the Head of School before enrolment will be approved.

* Students must undertake a field of study in the MCom(#32). For students who have previously undertaken studies in business or commerce, entry will only be considered for a field of study not already undertaken (some exceptions may apply to Professional Accounting).

Not all courses are offered every semester and/or every year. Check course offerings prior to enrolling.
