

# Master of Commerce (24 units) (MCom (24 units)) 2019 Program Structure

It is important that you read and understand the following information.

To be eligible to enrol in the Master of Commerce (24 units) you must satisfy the entry requirements as outlined in the program rules.

The following information is designed to help you plan your enrolment. Please note it is intended as a guide only; you should check the scheduling of courses each semester. Further information can be found in the official rules and course lists under the **Program Requirements** link on the Programs and Courses website: <https://my.uq.edu.au/programs-courses/>

You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements, please contact [info@business.uq.edu.au](mailto:info@business.uq.edu.au) for advice. It is your responsibility to ensure that you complete all the requirements of this program in order to graduate.

## **PROGRAM REQUIREMENTS**

You must complete 24 units from the [Master of Commerce \(24 units\) list](#), comprising -

- 12 units from one field of study in Part A\*; and
- the remaining 12 units as an approved second field of study from Part A or from a combination of other courses in Part A, Part B, Part C and/or other courses approved by the Head of School (up to a maximum of 4 units). Part C courses require permission from the Head of School before enrolment will be approved.

\* Students must undertake a field of study in the MCom (24 units). For students who have previously undertaken studies in business or commerce, entry will only be considered for a field of study not already undertaken (some exceptions may apply to Professional Accounting).

For students wishing to complete two fields of study, please obtain a study plan from your Postgraduate Student Liaison Officer prior to enrolling.

Not all courses are offered every semester and/or every year. Check course offerings prior to enrolling.
